Dear Mr. Hoover:

It is with a great deal of pleasure and feeling of appreciation I accept the invitation for [REDACTED] to attend the 77th Session of the F.B.I. National Academy beginning March 7, 1966. *b7c*

He will be a very able and conscientious representative of this Department. In my opinion he has an unlimited future in our Department and is definitely Chief material.

Minneapolis has always had a very close relationship with the F.B.I. nationally and in this area under Mr. Richard Held's capable leadership and that of his predecessors.

Very sincerely,

SUBJECT: 77TH SESSION, FBI NATIONAL ACADEMY
SPEAKERS FOR GRADUATION EXERCISES
MAY 25, 1966

b7c

The Director has instructed that we consider Vice President Hubert H. Humphrey as a speaker for the graduation exercises of the 77th Session of the National Academy which are scheduled for 10:30 a. m., Wednesday, May 25, 1966.

Attached for approval is a letter to Vice President Humphrey which, after signature by the Director, should be delivered by Mr. DeLoach to the office of the Vice President.

In view of the nature of the Vice President's duties and the possibility that something may come up at the last minute which would preclude his being able to speak as scheduled, we would like to recommend that *[Redacted]* also be invited to speak at these graduation exercises.

[Redacted] He has been extremely cooperative in our FBI National Academy program, is an ardent admirer of the Director and the Bureau, and was a member of the platform party at the graduation exercises of the 76th Session by invitation of the Director.

RECOMMENDATIONS:

1. That attached letter to Vice President Humphrey be approved. Upon approval that it be delivered to his office by Assistant to the Director DeLoach.

My dear Mr. Vice President:

It gives me great pleasure to invite you to deliver an address at the graduation exercises of the 77th Session of the FBI National Academy at 10:30 a. m., Wednesday, May 25, 1966. The ceremonies, which will be attended by approximately 1,500 persons, will be held in the Departmental Auditorium located on Constitution Avenue between 12th and 14th Streets, Northwest, Washington, D. C.

Since the FBI National Academy was established by this Bureau in July, 1935, over 4,800 law enforcement officers have been trained as police instructors and police executives. In recent years we have included law enforcement representatives from friendly nations outside the United States. We anticipate having 100 officers attend the 77th Session with 14 coming from foreign countries and 1 from the Virgin Islands.

We would consider it a distinct honor if you could address these graduates as they prepare to return to their own departments. We hope you will be able to be with us on May 25, and I will be pleased to furnish any additional information concerning the National Academy which you might like to have.

Sincerely yours,

The February 3, 1966, edition of "The Spectator," on page 1, contained an article captioned, "Anti-Commie Campaign Started." That article, written by Tom Seslar, began by stating that "John K. Madden, 31 E. Town Street, has launched a campaign to rid Columbus of 'left-wing Extremists.'" According to the article, Madden told "The Spectator" during the week that his prime target was the Spartacist Party, "a group which recently opened an office and mailing headquarters at 1508 Summit St."

RE: SPARTACIST

The article noted Madden already had sent letters to President Lyndon B. Johnson, Governor James A. Rhodes, Mayor M. E. Sensenbrenner, and many newspapers. The article then quoted Madden as stating, "'Now I want to bring together people and money for an opposition campaign to run the Spartacists out of the state. If somebody doesn't do something quick, these people are going to ruin the American way of life.'"

The article declared that Madden belived the Spartacists' basic goal was to create turmoil on the Ohio State University campus and he accused university officials of being lax in dealing with students who were members of the organization. The article then quoted Madden as follows: "'I was in the U. S. Marines during the Korean War. I know what America stands for, and I think it is disgusting that we allow Communists to operate in our own back yards while Americans are fighting on the other side of the world.'"

On February 3, 1966, [REDACTED]
[REDACTED], appeared at the Columbus, Ohio,
Resident Agency of the FBI and advised a clerical employee that

[REDACTED] also alleged the Spartacist Party was planning a mass protest march in Columbus, Ohio, on an unknown date, with 500 to 1000 participants. [REDACTED]

AMERICANS FOR PATRIOTIC ACTION

SUPPORT PRESIDENT JOHNSON'S VIET NAM POLICY

War is a grim task...one that faces each citizen of this country. No one wants war - but the enemy doesn't want peace. The struggle in Viet Nam will continue.

Those who advocate the falling of this country into the hands of the enemy do not realize the ultimate consequences. These left-wing fanatics, who carry signs protesting everything our country stands for are unaware of the fact that their activities will soon be stopped by an awakened and aroused public.

The followers of the extreme right are equally blind. They want to tear down the present system and rebuild their own little country. Their own narrow-mindedness will never let them realize that that country can never exist.

In the words of President Franklin D. Roosevelt, "We have nothing to fear but fear itself."

We will not retreat from our task of saving this country from those who would see it destroyed.

God Bless America

PROGRESSIVE LABOR PARTY (PLP)
PROGRESSIVE LABOR MOVEMENT (PLM)

[REDACTED] that the PLP, b7d
formerly known as the PLM, held its first national convention April 15-18, 1965, at New York City, to organize the PLM into a PLP. The PLP will have as its ultimate objective the establishment of a militant working class movement based on Marxism-Leninism.

"The New York Times," City Edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP. The PLP was described as an outgrowth of the PLM. Its officers were identified as Milton Rosen, New York, President, and William Epton of New York and Mort Scheer of San Francisco, Vice Presidents. A 20-member National Committee was elected to direct the party until the next convention.

According to the article, "The Progressive Labor Movement was founded in 1962 by Mr. Rosen and Mr. Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

The PLP publishes the "Marxist-Leninist Quarterly," a theoretical magazine; "Progressive Labor," a monthly magazine; "Challenge," a New York City newspaper; and "Spark," a west coast newspaper.

The June 1, 1965, issue of "Challenge," page 6, states that, "this paper is dedicated to fight for a new way of life - where the working men and women own and control their homes, factories, the police, courts, and the entire government on every level."

[REDACTED] that the PLP utilizes the address of General Post Office Box 808, Brooklyn 1, New York, but also utilizes an office in Room 622, 132 Nassau Street, New York City, where PLP publications are prepared.

[REDACTED] that the Revolutionary Committee of the Fourth International (RCFI) was also known as the Spartacist Committee and the Spartacist Group. The July-August, 1964, issue of "Spartacist," in its masthead described this publication as follows: "... published bi-monthly by supporters of the Revolutionary Tendency expelled from the Socialist Workers Party." This masthead sets forth that the editor of the publication is James Robertson, and its main address is Post Office Box 1377, General Post Office, New York, New York.

WORKERS WORLD PARTY

[REDACTED] on February 2, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member [REDACTED], split from the SWP. b7d b7c

[REDACTED] this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of Leon Trotsky and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery - individuals characterized by the minority as petty-bourgeois.

The minority program, according to the source, advocates unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

[REDACTED] advised this minority group had chosen the name Workers World Party. b7d

[REDACTED] advised the Workers World Party, which maintains headquarters at 46 West 21st Street, New York, New York, supports the People's Republic of China in its ideological dispute with the Soviet Union.

The SWP and the CP have been designated pursuant to Executive Order 10450.

THREAT AGAINST THE PRESIDENT
(OR VICE PRESIDENT)
OF THE UNITED STATES

[REDACTED]
A male who identified himself as [REDACTED]
[REDACTED] telephoned the Washington Field Office of the Federal
Bureau of Investigation (FBI) from 4:40 p.m. to 4:53
p.m., February 28, 1966. [REDACTED]

[REDACTED] stated he had just called the office
of the Vice President of the United States in Washing-
ton, D. C., in order to speak with the Vice President,
but that he had been unsuccessful. He said that this
indicated to him the Vice President was not on duty
and, therefore, that he was defrauding the taxpayers.
He said he called the FBI to request this Bureau to
assist him to contact the Vice President by phone.

[REDACTED] then stated that he himself is from
[REDACTED]. He further related that he was in
disagreement with the politics of the Vice President.
He then stated that because he does not agree with the
politics of the Vice President, he, in his own words,
"would slap the face of the Vice President," if he
ever saw him personally. He stated this was not a
threat to physically harm the Vice President, but he
maintained that he meant what he said when he stated
he would slap the face of the Vice President if he had
a chance. He made no other type of threat.

The conversation of [REDACTED] was rambling and frequently incoherent. His words were often slurred to such an extent that it was very difficult to understand him. He was therefore asked several times if he actually meant he would slap the face of the Vice President. Each time he was asked about this he answered in the affirmative.

The conversation of [REDACTED] was similar to that of a person under the influence of intoxicants. b7c

At 5:05 p.m., February 28, 1966, information regarding the call from above individual was telephonically furnished to [REDACTED], Washington Field Office, United States Secret Service.

No further investigation contemplated by the Washington Field Office of the Federal Bureau of Investigation.

CONFIDENTIAL

CONFIDENTIAL

Atlanta Committee to End the War in Vietnam. Box 9233, Atlanta, Ga.

What is being done?
THE WAR IN VIETNAM --
We read about it--
We hear about it--
We even watch it on TV--
IN OUR NAME

HOW MUCH DO WE KNOW ABOUT WHAT IS BEING DONE IN OUR NAME?

HOW MUCH DO WE THINK ABOUT WHAT WE DO KNOW?

The following news excerpts and pieces of information are taken from sources available to all of us. (Perhaps not all as available as our daily newspaper. But all available to our daily newspaper.)

In 1954 U.S. officials helped to install Ngo Dinh Diem in power in South Vietnam. Diem, who was called the "democratic alternative," shot or jailed thousands who had fought for their freedom against the French and, during World War II, against the Japanese. He revoked a previously enacted land reform program. He was hated by the Buddhist majority of his fellow countrymen. Senator Frank Church of Idaho, Congressional Record, David Halberstam, New York Times Foreign Correspondent, and Phillippe Devillers, noted French foreign correspondent, both quoted in Gettleman, VIETNAM, a 95¢ Fawcett paperback.

WHY WAS A HATED TYRANT IMPOSED ON THE PEOPLE OF SOUTH VIETNAM IN OUR NAME?
AND WHY WERE WE TOLD THEN THAT THE HATED TYRANT WAS A POPULAR LEADER?

* * * * *

About a month ago Buddhists in South Vietnam began strikes and student demonstrations against the present government of General Ky (the general who says his only hero is Hitler). The following week students took over the radio station in Da Nang to issue a call for an overthrow of the military government and election of a civilian government. A military guard, asked why he did not stop them, said "Who am I to stand in the way of freedom?" Atlanta Constitution, March 24, 1966, p.2

WHY IS OUR GOVERNMENT--ACTING IN OUR NAME--OBSERVING A "COMMITMENT" TO A RULER WHO IS SCORNE BY HIS OWN SOLDIERS AND HATED BY HIS OWN POPULATION? (AND WHY DID THE STORY APPEAR ONLY ON PAGE 2, AND UNDER A HEADLINE WHICH BEGINS "MARINES COUNT 500 SLAIN REDS"?)

* * * * *

Recently an American soldier wrote a letter home in which he described an operation of his unit. They had chased some Viet Cong through a village and then proceeded to shoot the village up. He says--"We had one VC, 8 wounded kids, 2 of them still sucking . . . , 3 old men, 43 old women . . . And you know what these ---- reported? Twenty suspected VC. I doubt if you will read this in the news, but don't let this letter get away from you. They might courtmartial me." Liberation, February, 1966.

WHY ARE OUR SOLDIERS--OUR BROTHERS--OURS SONS--OUR CHILDREN'S FATHERS, REARED TO DECENCY AND RESPECT FOR HUMAN LIFE--KILLING WOMEN AND CHILDREN AND CALLING THEM VIETCONG? WHY ARE THEY SPEAKING WITH THEIR GUNS IN OUR NAME?

* * * * *

If these questions disturb you, there are things you can do. You can: Talk with your friends and neighbors . . . Write about your doubts to your Representative or Senators . . . Write your questions to your daily newspaper. Write to us for a bibliography of pamphlets and books expressing many points of view. Atlanta CEV, Box 9233, Atlanta, Georgia 30314. **CONFIDENTIAL**

the Fourth International, also known as the Spartacist Committee and the Spartacist Group, is appended hereto.

SDS was formed by a group of 200 students at a meeting in Port Huron, Michigan in 1962. It is a militant - socialist oriented youth organization which has adopted a policy of non-exclusion of subversives. The SDS currently claims a membership in excess of 3,000 in some 90 chapters throughout the United States.

At approximately 7:30 p.m. on May 17, 1966, about 50 persons, male and female, predominately white, started picketing in front of the Baltimore Civic Center, carrying signs denouncing United States intervention in Vietnam, the military draft and some signs also contained unflattering statements concerning Vice President HUBERT HUMPHREY. The picketing continued until approximately 9:50 p.m. During the course of the picketing, the demonstrators sang songs and shouted from time to time; however, the picketing was otherwise peaceful and there were no incidents and no arrests during the demonstration.

Several individuals associated with the demonstrators passed out a flyer entitled, "HUBERT HUMPHREY - Liberalism and the War in Vietnam" which was signed "Johns Hopkins Students for a Democratic Society (SDS)." This flyer attacked the reputation of Vice President HUMPHREY as a major "Liberal" figure and stated that if the Administration and Vice President HUMPHREY represent American liberalism, "Then we reject it."

A Special Agent of the Federal Bureau of Investigation witnessed portions of this demonstration.
